Cowboy Dressage® World Partner Event

Lyn Ringrose-Moe Clinic April 7-10, 2017 and Saturday Evening “Soft Feel” Presentation

We are excited to present one of the founding partners of Cowboy Dressage® World, instrumental in creating Cowboy Dressage® as an all welcoming and all inclusive program of foundational horsemanship, based on the principals of Soft Feel, Partnership and Harmony. Lyn has been particularly involved in developing the test manuver directives and score sheets, while creating and overseeing the judging program.

While a cowgirl at heart, Lyn has trained and competed on many breeds of horses for competitive dressage and coached many riders successtully to the FEI levels. She completed the USDF “L” judges program. Lyn has a deep respect and love for horses and always strives to give the horses the benefit of the doubt while helping many riders / horses achieve harmonious, successful relationships.
